

DPS-0560

Copy 5 of 8

21 May 1958

Contract Approval No. 12  
Contract No. SP-1915

Reference is made to your letter dated 15 April 1958, subject: Maintenance by AikResearch of Stock of Parts to Support Overhauls of Refrigeration Units.

This will serve as authorization to procure and maintain \$10,000.00 worth of parts peculiar to the refrigeration units for the airplanes. Such parts will be used by AikResearch during overhaul and repair of refrigeration units returned to your plant under this contract by the Government. Cost of such parts shall be billed as used in repair of said units. Contractor will periodically review the rate of repair of such components and recommend to the Contracting Officer that such stock level should be continued or discontinued.
